Family0001.jpg	1908		Topeka, KS	Old Man	Formative years of the Old Man's childhood were in Topeka, KS	Assumed to be in Topeka because the portrait studio frame is from Topeka. Dave disputes "Topeka" because family lived in Clay Center, KS at the time; however, Topeka may have been the closest portrait studio (96 miles)
Family0002.jpg	1915		Topeka, KS	Old Man		Portrait studio frame is from Topeka. Agreed that 0002 and 0003 are same date, but what? Nancy, look at these two again (separate frames), I think one said "1913" and the other "1915", but maybe I am wrong. Subject to being corrected, I am guessing 1915.
