The information in this printout of the Ream Family came from various sources. One was the "Stuckey, Ream . . ." book. Also, I received information from many individuals, Grace Hilliard, Davidson Ream, Dwight & Alta Shoemaker, Meg Carter and Gayle Brinker to name just a few.

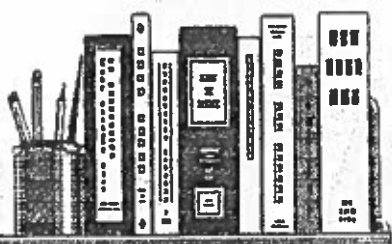

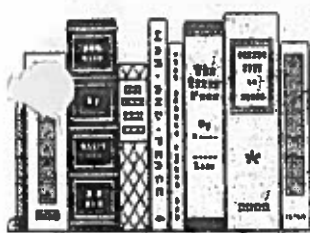

My own research was conducted at the Stark County Library and Case Western Reserve Historical Library using census, IGI, cemetery books, county histories, birth and death records, etc.

Since there were too many names for my computer program to index, Gayle Brinker volunteered to do the index by hand. It took several months of dedicated and tedious work for which I wish to take this opportunity to thank her.

Please contact me at the above address if you have any questions or comments.
